

Disclaimer

_____ (name of family) acknowledges that the process of assessing whether a person can qualify as (a) Buckner Children and Family Services, Inc., (“Buckner”) Foster Parent(s) or Adoptive Parent(s) does not lend itself to expeditious analysis. The process involves three distinct stages; training, matching and placement. Circumstances may arise at any stage that can lead Buckner to conclude that an individual or a couple are not suited for Buckner’s Adoption and Foster Care Programs.

Such a determination by Buckner is not intended to reflect negatively on anyone, but is simply a judgment that Buckner is required to make with respect to whether there is a reasonable chance for a successful relationship to develop between (a) Foster Parent(s) or Adoptive Parent(s) and the child. For these reasons, Buckner cannot guarantee that an individual or a couple will successfully qualify as (a) Foster Parent(s) or Adoptive Parent(s).
